Dear Editor-in-Chief of Russian Journal of Agricultural and Socio-Economic Sciences

I am writing to submit our manuscript entitled “Impact of Minangkabau’s Outmigration: *merantau* to Household labor Allocation in West Sumatra-Indonesia” for consideration as an Russian Journal of Agricultural and Socio-Economic Sciences (RJOAS) research article. We examined the impact of cultural outmigration in rural area on household labor allocation at on-farm, of-farm and non-farm. Our results suggest that the lack of family labor caused by outmigration (*merantau*) in West Sumatra have the impact on more hired labor and less household labor in paddy farming, increasing non-farm activities and reveal “agricultural feminism”

We believe that the findings presented in our paper will be appeal to the migration researcher, scientist, government and NGO who subscribe to RJOAS.

Each of the authors confirm that this manuscript has not been previously published and is not currently under consideration by any journal. Additionally, all of the authors have approved the contents of this paper and have agreed to the RJOAS’s submission policies.

Sincerely,

(Iis Ismawati)
