Dear Editor-in-Chief of Russian Journal of Agricultural and Socio-Economic Sciences

I am pleased to submit an original research manuscript entitled, "Factors Driving Remittances by Minangkabau's Migrant to Sending Households in Rural Areas" for considerations of publication in Russian Journal of Agricultural and Socio-Economic Sciences. We have determined that socio-economics migrant and household characteristics are influence Minangkabau's migrants to sending remittances. Our results lend support that remittances are sending to farm households with low levels of welfare and reside in marginal rural areas. Understanding the sending of remittances behavior is crucial for policy makers to improve these potential capital transfer for more sustainable agricultural development programme.

We believe that the findings will be appeal to the migration researcher, scientist, government and NGO who subscribe to RJOAS.

Each of the authors confirms that this manuscript has not been previously published and is not currently under consideration by any other journal. Additionally, all of the authors have approved the contents of this paper and have agreed to the RJOAS's submission policies.

Sincerely,

[Iis Ismawati]

Hello,

IBAN identifiers do not used in Russian banks; transfer can be completed through SWIFT, if your bank can't process it it'll be wise to contact another bank, such as BNI or any else.
