Malang, 22 Juli 2018

Dear Committee of International conference of rural development

I am writing to submit our manuscript entitled;" Rural-Urban Migration and impact on rice production in West Sumatera-Indonesia for consideration at International conference of Rural Development . we examined the impact of rural-urban migration on rice production in West Sumatera, the province whose known high migration.

Each of authors confirm that this manuscript has not been previously presented or published and is not currently under consideration in other conferences .

Additionally all authors have approved the contents of this paper and have agreed to the conference policies

Sincerely

Iis Ismawati
