Helentina Situmorang:

1- Thank you for submitting the manuscript, "A Analysis of Factors Affecting Cocoa Production in Lareh Sago Halaban District, Lima Puluh Kota Regency, West Sumatera, Indonesia" to International Journal of Sciences: Basic and Applied Research (IJSBAR). With the online journal management system that we are using, you will be able to track its progress through the editorial process by logging in to the journal web site:

Manuscript URL: <https://www.gssrr.org/index.php/JournalOfBasicAndApplied/authorDashboard/submission/14460>

Username: helen_86

2- We would inform you that your paper is under processing. The IJSBAR have two peer review options: (Please tell us what option do you need? So we can proceed, if we do not receive a response; we will consider the ordinary process.)

A- Ordinary peer review process: Expected time is 14 - 21 days. (The cost for ordinary peer review process is (105 USD) paid only if the paper is accepted).

B- Fast track peer review process: the peer review results are guaranteed to be available within 3-5 days. Cost: add 35 USD to the cost of the ordinary process:

Dear Dr. Helentina Situmorang, Misfit Putrina, Noveri:

1- The editing of your submission, "Analysis of Factors Affecting Cocoa Production in Lareh Sago Halaban District, Lima Puluh Kota Regency, West Sumatera, Indonesia," is complete. We are now sending it to production.

2- Within 24 hours; your paper will be published and it will be online (you can check this link <https://www.gssrr.org/index.php/JournalOfBasicAndApplied/issue/archive>)

3- Important notes

Publishing in an international journal means that the author is seeking that his paper is visible to the other researchers around the globe to cite it (kindly read the following topic "Three Reasons Why Citation is Important" at the end of this email).

To facilitate your paper citation and visibility; we recommend that you add your paper title, abstract, journal name, upload its PDF file (note: this is a very important factor), and add your paper hyper link (this link is given to you at the beginning of this email) (note: this is extremely important factor) to the following:

- Personal page within your university site; especially within "your publications page" or "university publications repository". (more details can be found at the end of this email.)
- Your personal website.
- Your Research Gate account (you can easily
